Comrades & Friends,

This letter, along with the packet included is our invitation to you to attend this year's ceremony.

We have made some changes this year for the enhancement of our program. The time of speeches has been cut down, the entertainment throughout the program has been revamped and our Veteran attendees will be more attentive to the purposes of the ceremonies. The banquet is being revamped for the betterment of the attendees.

As you read through the packet you will see that we are seeking your early compliance with room reservations, banquet tickets, event participation. In the past we had a SPONSORSHIP BANQUET ticket program. This year we have asked for no donations. As friendships have grown over the years, you or your post may still want to invite some special person from the town. In the packet is a form to help you invite that special friend.

We will have at the registration desk a schedule of events, along with a list of places of interest to visit in and near Rokycany. If you need assistance ask for it, we are happy that you are interested.

- **Post Commanders or representatives PLEASE bring Post Colors w/a bearer; this is what the whole thing is about, patriotism, tradition and remembrance.**

So good luck to you all and if you need more information earlier please contact me! You need only to ask.

Friday 12 November:

Our evening schedule is as it was in the past, we will have an *unofficial* social gathering in the dining room of the Bily Lev starting at about 18:30 hours, pay as you go food & bar. Entertainment is provided for the evening.

SATURDAY 13 November:

At 10:00 hours a wreath laying ceremony will take place at the Demarcation Memorial. We will meet up in the Bily Lev parking lot at 09:45. It is not that far; if you want transportation, see one of the Czech assistance for the transport. Please bring your flags and members wear your OFFICIAL VFW hats. Afterwards, we will take a small ride to honor the memory of one of our fallen Czech “comrades” at a local cemetery. We should be back to the hotel by lunch time. After lunch, take time to visit the town of Rokycany. There are many things to see and do, and brochures are available at the hotels to assist in finding out what there is to do.

At 18:00 hours the doors will open at the Banquet Hall. This year’s program will be similar to last years. Cocktail hour starts at 18:00 hours with music. The food line opening will be announced; eating is expected to last until 20:00 hours. The guest speakers will commence at 19:45 hours followed by awards and then entertainment to include the Vilsek ROTC and the band Babydou. When the Flag is retired, please stay and enjoy the dancing to Country (they do sing in Czech) music and mingling with Czech town citizens.

Sunday 14 November:

We will start the day with the BLESSING OF THE FLAGS at 09:00 hours in front of the church. We will meet in the Bily Lev parking lot at 08:45. PLEASE bring your post flags and the Vilsek ROTC will carry them. This year the will be no parade as we have done over the last few years. A special re-enactment show has been organized in the middle of the town this year instead! At the end of the show, lying of wreaths at the town hall followed by Czech Taps and reading of “Flander’s Field” will end the official celebration. Afterwards, lunch at the Bily Lev and then we will take our leave of Rokycany. Bring *official* VFW hats for all ceremonials, but not to banquet.
